PROJECT PROPOSAL

OUR COMPANY

Our Publishing House is supporting a community of storytellers who are needed more than ever before in our age of mass information. What started as a publishing platform for artists and creatives to amplify their narrative and build their brand, has now evolved into a niche publishing house with global distribution opportunities.

Our print titles will be available globally via Lulu, Amazon, Barnes & Noble, and Ingram. eBook formats are also available for selected publications. Our Publishing House is also focused on opportunities for our writers and creatives to participate in book readings, signings, and other community-based forums where storytelling is front and center. We like to socialize ideas and our storytellers welcome the opportunity to dive in and swim in the hard stuff.

THE PUBLISHING PROCESS

The Publishing House offers service bundles which include solutions authors rely on most to create and publish unique and remarkable books.

AMPLIFYING THE NARRATIVE

You bring the story and we will amplify the narrative. Publishing the book is just the first part of the process. Determining the appropriate marketing approach is critical to ensuring the book finds its way into the hands of anxious readers.
